

Baskin Advisory Group

Enterprise Program & Portfolio Leadership
Public Sector Modernization

Strategy. Execution. Results.

Public Sector Advisory | Program Leadership | Workforce & Staffing Solutions

Execution-focused program leadership for public sector and enterprise initiatives

ABOUT BASKIN ADVISORY GROUP

Baskin Advisory Group delivers Program and Project Management as a Service (PMaaS)—a structured, on-demand model providing governance, leadership, and execution support for complex initiatives.

Our PMaaS model enables organizations to scale program delivery, strengthen oversight, and achieve measurable outcomes—without the delay of building internal capacity.
